people who have traveled with us before.
and many more..

Sahrish Kausar

I was reluctant to book at first since I had a 6-year child to travel with. But it was all magical, the whole experience was like traveling with a family. Amazing people, positive energy, amazing knowledge. These people are doing an amazing job. This was my best travel experience by far.

★★★★★

I love history & I have traveled a lot. I've had many healthy discussions on history during the trip & I've seen Rao (tour leader) handling the group in such a way that every age group is catered brilliantly. Everybody on the trip felt they had gotten the value for their money. Will definitely travel again soon.

★★★★★

It was an amazing experience & I was taken care of like family. My kids are more happy than me that I have met some amazing people on the trip.

There is never a dull moment with Rao (tour leader). Not only he creates a very jolly & entertaining environment for everyone but he is very mature for his age. Professionally, he is extremely sound and he makes sure everything goes just perfect!
